

## Delta Delta Epsilon Graduation Regalia

### Delta Delta Epsilon Medallions

In appreciation for a member's service to the society, students in good standing may choose to be acknowledged at graduation by wearing the official Delta Delta Epsilon medallion.

### How to Order Medallions

Medallions are ordered through **Medalcraft Mint**. Please contact them directly for current pricing, as costs vary based on quantity, material, and design choices.

### Medallion Customization Options

The medallion has two sides: a standard DDE side and a customizable side for each local Chapter (the Alpha Chapter is shown in the image).

#### Option 1: Use the Existing DDE Die Cast

To avoid the cost of creating a new die cast, Chapters can get permission to use the existing DDE die cast (originally purchased by the Alpha Chapter).

- Action Required: Chapter Advisors must email Dr. Eric Law at [elaw@uco.edu](mailto:elaw@uco.edu) to receive a letter of permission.

#### Option 2: Other Customization Choices

- Custom Die Cast: Chapters can opt to create a die cast specifically for their Chapter at an additional cost.
- DDE Side Only: Many universities choose to only use the standard DDE side of the medallion, which simplifies the process and may reduce costs.

### Alternative Regalia

While many DDE Chapters purchase medallions, some opt for other forms of graduation regalia. These can be purchased from various online vendors:

- DDE Cords: Blue and gold cords
- DDE Pins
